

## What exactly is Venturing?

Venturing is a co-ed developmental program, affiliated with the "Boy Scouts of America". It is made up of high school and college aged students, ages 14 to 21. "Venturings' purpose is to provide positive experiences to help young people mature, and to prepare them to become responsible and caring adults through the venturing experience." The Crew is led by elected youth officers, with help from adult volunteer advisors, youth member's parents, and other consultants from the community.

Our Venture Crew here at St. James is mainly a high adventure and service oriented crew. Our Crew goes Camping, Canoeing, Caving, Rappelling, Rock Climbing, Whitewater Rafting, and Skiing to name just a few high adventure activities, but we also participate in community service programs, such as, "Habitat for Humanity", and the hosting of 7th & 8th grade youth dances here at St. James. We are Self - Supporting, and we are holding this Mulch Sale as a fund-raiser to directly offset the cost of our trips and material needs.

Please consider ordering your mulch from us. It is a good deal and you get a great landscaping product delivered right to your driveway!!! We are hoping to continue this Mulch Sale as an annual fund-raiser with your support.

Thank You!!!
